# Gum Tree

ADD A SPLASH OF COLOR TO THE GUM TREE

*Did you know?* Angelo State University's "gum tree" stands as one of the stickiest traditions among all collegiate rituals. Legend has it that a gum-chewing suitor placed his gum there prior to asking his girlfriend to marry him. When she said yes, the happy young man attributed his good luck to his gum deposit. Since then, hundreds of students have left their chewing gum on the mesquite to bring them good luck on tests and in life.
